

## Membership Benefits

### **Why become a member of the Institute of Municipal Assessors?**

Benefits of membership in the IMA include:

- Assurance that an accredited member has successfully completed a comprehensive course of study and is recognized as a professional in good standing.
- Accredited members are recognized as expert witnesses in Assessment Tribunals and Courts
- The IMA offers educational courses that are current, flexible and meet the needs of our members and their employers.
- As a Member you will receive courses at a lower cost over non-members.
- Members have access to the IMA library.
- Members receive the Insti-News publication and regular communications.
- Additionally, Members are kept current through District Meetings and Professional Seminars/Workshops available at the Annual Conference.
- The cost to attend a District Meeting and the Professional Seminars/Workshops at the Annual Conference is offered at a lower cost to our members.
- Access to the IMA website with enhanced and informative section for members only.
- Members interact and develop professional contacts, explore career opportunities and network with other related assessment and taxation professionals.
- Members are provided the tools to advance in their career
- Many employers have indicated that an IMA Designation is a requirement and an asset in their current hiring processes (see careers).
- Members provide a collective voice that promotes and defends the interests of the profession and the general public.
